NOTE: For Individual Memberships, only the individual member can attend programs as a member. For either Corporate Membership, the company may send anyone from the same company to attend programs up to the number of paid memberships.

NETWORKING

Meet and mingle with professionals in our local community who eat, sleep, breathe, and bleed advertising. Members include advertising agencies, corporate marketing offices, freelancers, printers, media companies, educators, and more!

AMERICAN ADVERTISING AWARDS

Get discounts on entry fees to the nation's largest advertising awards! For complete details, visit our website.

NOTE: Companies cannot submit AAA entries under an Individual Membership. All entries submitted under an Individual Membership will list only that individual on all awards. Entries submitted under either Corporate Membership will list the company's name on all awards.
